

8 - 8:45 AM

Welcome presentations and updates from the whitson team

9:15 - 10:00 AM

PVT and Forecasting

GoA PVT: Cleaning Up the PVT Picture A Comparison of Mud-Contamination Correction

Melissa Nance

Oxy

From Technical Tool to Enterprise Platform: Unlocking Efficiency with whitson+

Anna Marcotte

Ovintiv

When High b Isn't High Risk: Forecasting Through Prolonged Transitional Flow

Brian Collins

Continental

10:30 - 11:15 AM

Production Engineering

Well Uplift AI Agent – Powered by the whitson API

**Haik Mkrtchian
& Max Yuan**

Oxy

Model-less IPR

Graham Helfrick

whitson

Multi-Well Gas Lift Optimization

**Kory Lucas
& Jon Pratt**

Devon

How I Hooked Up whitson and My API

Adrian Morales

Enbridge

12:15 - 1:00 PM

Reservoir Engineering Pt.1

Unconventional Reservoir Parent-Child Development: Lessons Learned and the Path Forward

Ulku Sarica

BPx

Can every section tell its own EUR story? A workflow to translate geology, fluid and spacing into section-level EUR expectations

Juan Fernandez

Oxy

The Bakken's Next Chapter: 25,000 Wells and Counting

Leo Lasecki

Continental

1:30 - 2:15 PM

Reservoir Engineering Pt.2

Refracs Are Messy. The Model Doesn't Have to Be

James Ewert

whitson

How to (Casing) Exit a Bad Relationship: a Refrac Case Study

Derek Axelson

Petro-Hunt

Toward Scalable Nanomaterial Solutions for Condensate Banking Mitigation and Gas Recovery Enhancement

**Ahmed Wasel
Alsmail**

Aramco

2:45 - 3:30 PM

Development Optimiz. Pt. 1

New Well Forecasts: When To Hold Them and When To Fold Them

Braden Bowie

whitson

Case Study: Midland Basin DSU Planning & Optimization

Matt Gallant

Surge Energy

Delaware Basin Development Evaluation

Mindy Goldsmith

Admiral
Permian

3:45 - 4:15 PM

Development Optimiz. Pt. 2

Quantifying Shale Performance Drivers Across 100,000 Wells

Ryan Hassen

whitson

Uintagration: An Integrated Workflow for Optimizing Uinta Development

Brett Kovach

Fourpoint

6:00 - 10:00 PM

Evening Gala *separate registration required*

DON'T
FORGET!

The day before (**October 19**) we're offering five full day courses you can also register for at whitcon.whitson.com/courses

[whitCon.whitson.com](https://whitcon.whitson.com)
